I/we _____,
am/are the current holder(s) of the Navajo Nation Homesite Lease # _____ or Bureau
of Indian Affairs (BIA) Grazing Permit # _____ that contains the property and
structures identified by the EPA identification numbers above and is located in the
_____ Chapter in the State of _____ (the Property); **OR**

I/we legally possess this Property through other means as described below (*e.g.,
through a probate proceeding, through inheritance, etc.*): _____

As the current possessor of this Property, I grant access to the employees and
authorized representatives of the United States Environmental Protection Agency (EPA)
and the Navajo Nation EPA (NN EPA) to the Property, including all the structures
located on it, for the following purposes:

- Conducting a radiological and radon survey;
- Taking soil, water, air, and potential hazardous waste samples as needed;
- Storage and use of equipment; and
- Other response actions as deemed necessary by EPA to address the release or
threatened release of a hazardous substance at or around the Property

I understand that these actions are undertaken as part of an effort to address public
health concerns due to mining related activities or materials. I further understand that
questions regarding the sampling and survey results can be addressed by contacting the
EPA On-Scene Coordinator (OSC) Will Duncan at duncan.will@epa.gov or (415) 972-
3412 or Stanley Edison of NN EPA at (928) 871-6861 or 1-800-314-1846.

Start of Sampling Activities

EPA or NN EPA will provide me a minimum of 24-hours advanced notice of the date and approximate time that the above-described sampling activities will begin on the Property. I have provided below, as available, a phone number and mailing address where I may be reached. A message left on any answering device for the phone number listed below will be considered sufficient notice. In the event it is impossible to reach me directly or leave a message, it will be considered sufficient notice for EPA or NNEPA to post the above-referenced information on the front door of a structure located on the Property a minimum of 24-hours in advance of when the sampling activities will begin.

Consent to Audio/Video/Photographic Recording

My signature below also indicates my permission for the United States (including EPA) and the Navajo Nation to enter the Property and take and use audio and video recordings and still photographs of the Property and structures relating to this removal action. Unless otherwise indicated in the comments below, the audio, video, photographs, and related text materials may include my: voice, name, image, Property, home, or other structures and their location and surroundings. I understand that the United States and the Navajo Nation may make these materials available to the public for educational and informational purposes. I also understand that others, with or without the knowledge or consent of the United States and the Navajo Nation, may use and/or reproduce such materials. This permission also extends to the minor children listed below, for whom I am the parent or guardian.
